Exam Process

The exam experience follows this process:

1. **Tutorial.** The tutorial (this page) provides helpful information about the exam environment. [Read the tutorial carefully.](#) When you are ready to begin taking the exam, select **Start Exam**.
2. **Exam Questions.** The exam timer starts, and the questions appear. You can move forward and back through them, answer them, and mark them for review or feedback.
3. **Exam Summary.** The exam summary indicates the questions you have answered, not answered, marked for review, and marked for feedback. You can review and change your answers. The exam timer stops, and your answers are submitted when you select **Finish Exam**.
4. **Feedback.** You can leave feedback about the exam and individual questions. When you finish leaving feedback, select **Exit Exam** to display your score report.

Exam Interface and Controls

Each page of the exam has three panes.

1. The Information pane at the top of the page shows the current question number, the total number of questions, and the remaining exam time. The progress bar fills to indicate the percentage of questions answered.
2. The Content pane in the center of the page contains the question and answer options. [Some Content panes are divided horizontally or vertically into sections. You might need to move the section dividers or scroll the panes to display all the content on your screen.](#)
3. The Navigation pane at the bottom of the page contains the following commands for moving through the exam.

Go to Summary

Displays the Exam Summary page that shows the questions you've answered, marked for review, and marked for feedback.

Mark for Review

Flags the question to indicate that you want to return to it before you finish the exam.

Reviewing Questions

The Exam Summary appears after the final exam question. You can also move to this page by selecting Go to Summary from any question.

Feedback and Exam Results

After you submit your answers, you can leave feedback about individual exam questions and about the exam in general. The exam team will review your feedback and use it to improve future exam experiences. You cannot change your answers during the feedback stage.

You leave feedback about individual questions in Comment mode. For each question you comment on, select a comment category and subcategory. If none of the category or subcategory options apply to your comment, select **Other**.
